On 25 April 2003, the Regional Water Quality Control Board (Regional Board) adopted Waste Discharge Requirements Order No. R5-2003-0065, NPDES No. CA0078093, prescribing waste discharge requirements and a monitoring and reporting program (MRP) for the Department of Corrections, Deuel Vocational Institution (Deuel) Wastewater Treatment Facility (WWTF) and adopted Cease and Desist Order (CDO) No. R5-2003-0066, which set forth tasks and compliance schedules to achieve compliance with effluent limitations. Deuel has completed portions of the tasks in CDO No. R5-2003-066 but will require additional time to comply with the effluent requirements. The Regional Board will consider adoption of a new CDO that would provide additional time to comply with the effluent limitations in WDRs No. R5-2003-0065 and adoption of a revised monitoring and reporting program.
